WORK EXPERIENCE

Full Stack Developer. Acquire BPO. Aug 2022 - Jan 2023

- Developed modern client-side web applications using modern technologies including Vue.js, NuxtJS, Directus (Headless CMS), Node.js, Tailwind CSS
- Collaborated as part of a team of UX & UI designers + frontend, backend & full-stack engineers.
- Participated in code reviews with our Tech Lead and component reviews with our design team.
- Worked in an Agile / SCRUM environment with a cross-functional team with different timezones (from Brazil and Australia).

Full Stack Developer. Diversified Robotic. Dec 2020 - Apr 2022

- Facilitated presentations to clients from the US and received excellent feedbacks.
- Ensured that the projects are done within the schedule.
- Built and deployed applications using Vue.js, Laravel, Tailwind CSS, MySQL, AWS.
- Experimented with and adopted modern technologies including building multiplatform applications.
- Developed multi-platform application development including PWA development.

PHP Developer. Coreproc. Oct 2019 - Jan 2022

- Collaborated as part of a team of UX & UI designers and Android Devs and later on lead a team of my own.
- Developed websites using Laravel, Vuejs, Nova, MySQL and Bootstrap.
- Joined client meetings and sometimes lead the presentations.
- Joined the planning stage and made sure all points are cleared and understood.

Accountant. Rider Levett Bucknall. Jun 2018 - Mar 2019

- Helped the accounting team prepare for the BIR audit
- Fixed the recording of the previous years accounts, and created a system to record accounts better.

Accounting Manager. Lalaguna Holdings. Mar 2014 - Jun 2018

- Monitored and analyzed department work to develop efficient procedures and used external resources to reach a high level of accuracy.
- Initiated feedback, strategic recommendations and financial review.
- Developed and implemented new procedures, financial data bases, analysis of revenues/expenses and other features to enhance the work-flow of the accounting department.
- Established financial goals for each year; monitored and advised regarding progress.

General Accounting Analyst. Coca-Cola FEMSA. Jul 2011 - Feb 2014

- Received Service Level Agreement (SLA) Awards for consecutive months for successfully and efficiently filing all the Journal Voucher request on SAP
- Worked closely with plants' analyst to reconcile permanent accounts and initiate adjustments
